Tapley's is undoubtedly Whistlers premier sports bar with multiple TV's and Sports from around the World shown including Hockey Night in Canada, Monday Night Football, Australian rugby matches and Premier league soccer from the UK. Tapley's also has darts and a foosball table. Established in 1981 Tapley's was the first pub in Whistler village and is a real locals spot without any airs or graces. It markets itself as a neighbourhood pub calling itself "the locals living room" and it is certainly that with good value food, draught beers and comfortable seats.

Located just off the village square beside the Telus center, Tapley's has a nice patio and separate smoking area. Weekly events include a karaoke night on Tuesdays, Darts night on Thursday and live music on Friday nights.

Open 9am to 1am 7 days a week
