The Savage Beagle is one of the premier nightspots in Whistler. Spread over two floors with a relaxed lounge upstairs and conventional club downstairs. The beagle can lay claim to being the only club in Whistler with windows as its lounge is situated on ground floor level. The upstairs lounge provides a opportunity to take a break from the dance floor and sample some of the speciality cocktails on offer.

The less frenetic atmosphere upstairs means the beagle is popular with a wide age range especially at the weekends. The big nights here are Tuesday localsnight and the Friday night party.
